Home Owners Association

PO BOX 9245, Warner Robins, GA 31093-9245

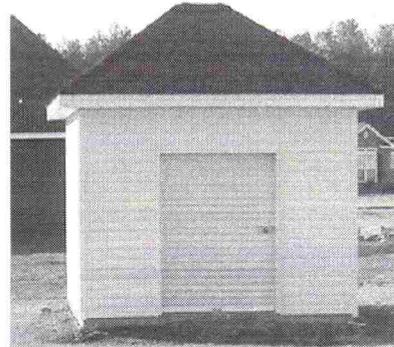

The Rydings Architectural Control Committee Approved Storage Shed Design

Storage Shed

- Construction:** Wood framed, roof pitch and style similar to existing home
- Siding:** Vinyl or brick (must match existing home in vinyl color and style and/or brick color and style)
The all brick homes adjacent to the Royal Oaks Subdivision from addresses 251 Hathersage onward must--at a minimum--have the storage shed built with a full brick front.
- Roofing:** Shingled (shingle must match existing home in color and style)
- Size:** 1 floor only
- Doors:** May be either standard door or roll-up style similar to existing home garage door.
- Placement:** Must comply with The Rydings Protective Covenants section 3
